

## What to bring

It is important when working in pastel to have the painting as upright as possible. I recommend either a free standing or table top easel. To protect the floor please bring some floor covering, which can be taken outside to shake or throw away.

I suggest you wear old clothing or protect with an over shirt or apron.

Bring your own sketches or photos of suitable subjects. I will bring some additional material to use if required.

Students must provide their own pastels and grounds. I hope to have a supply of grounds if more are required.

There are many grounds that can be used, some of the best and readily available are 'Pastel Card' and 'Mi Tente' in a variety of colours. Neutral shades are best. Sugar paper is a cheap alternative for the beginner (as found in scrap books), rather than pastel paper.

**Soft Pastels** also come in many shapes and qualities, Unison are a good general choice but all makes are acceptable.

**Most important**  
**Bring lots of enthusiasm**

## Arriving and Departing

The workshops will start at **10.00am** I shall open the hall 30 mins before start.

The workshop will officially finish at **4.30pm**; however the hall will not be closed until 5.00pm to allow flexible time for the 'Crit' and clearing up.

Students opting for more than one day may leave materials in the hall overnight.

Inside Down Hatherley Village Hall

\*Many of you will know Nature in Art and Down Hatherley is not far away to the east.

The hall is situated between the church and manor house; located on the north side of Down Hatherley Lane, which links the B4063 to the A38. The hall has ample parking.
